WEEKLY COMMISSION

Two Team Pay.

Making money with your ORYGN business is simple thanks to the power of our Two Team plan. The key to success is building a team of dedicated Brand Partners who share a common vision. To start, focus on one thing: be a Qualified Brand Partner yourself and sign up other Qualified Brand Partners, placing half in each of your two teams. Then teach them each to do the same.

ORYGN pays each Brand Partner a generous percentage of the CV (Commissionable Volume) generated by all the Brand Partners in the smaller of their two teams, with volume calculated to infinity and no cycles. See the Qualifications & Compensation chart for payout percentages by rank.

95 CV × 20% = $19
Lesser-volume team (right) this week

35 CV
Carries over on your left team

$20,000
Maximum Two Team Pay per week

Two teams, one simple plan

You have a team on your left side and a team on your right side. As you personally sign up other Brand Partners, you can place them in either team. New members can also be placed on your teams by your Sponsor (or others above you), in addition to the efforts of the Brand Partners below you.

Stay qualified, keep your volume

Once you reach Qualified Brand Partner or higher, you earn 8%–20% (based on rank) of the CV in your lesser-volume team every week. Volume you aren't paid on from your larger team carries over to the next week, as long as you stay Qualified. So it pays to stay qualified, and to teach your team to stay qualified too.

The example assumes each Brand Partner has a CV-qualified monthly order. The left team totals 130 CV and the right team 95 CV, so you're paid on 95 CV and 35 CV carries over.

WEEKLY CHECK MATCHES

Matching Bonuses.

01 Sponsoring Matching Bonus · 20%

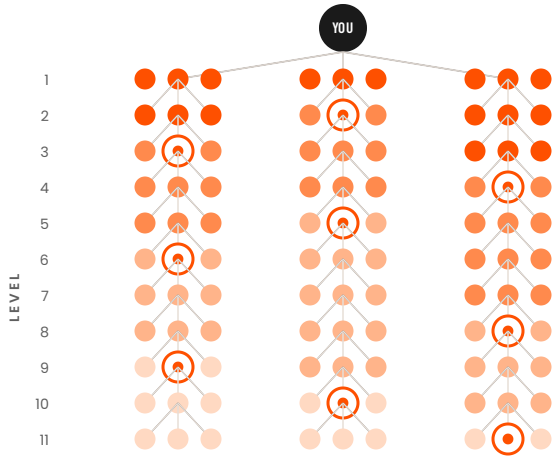

As a Brand Partner, you're paid a 20% weekly check match on the combined Two Team Pay earned each week by all your personally sponsored Brand Partners. As the example shows, this bonus grows quickly as you build your team. You qualify as soon as you reach the Brand Partner rank; no other qualifications are needed.

PERSONALLY SPONSORED	THEIR TWO TEAM PAY	YOUR 20% MATCH
5	$1,000	$200
25	$10,000	$2,000
50	$25,000	$5,000

Example shown in USD

02 Generation Matching Bonus · 10%

As a Gold Qualified Brand Partner or higher (for as long as you maintain that rank), you're also paid a 10% weekly check match on the combined Two Team Pay earned each week by up to four generations of Golds or higher in your Sponsorship Organization (must be Two Team qualified).

- Gold Qualified Brand Partner or higher (starts a new generation)
- First generation
- Second generation
- Third generation
- Fourth generation
- Beyond fourth (not matched)

HOW GENERATIONS WORK

Your **Sponsorship Organization** is everyone you personally sponsor, plus everyone they sponsor, level by level, with unlimited width.

A **generation** starts when someone in a leg reaches Gold Qualified Brand Partner or higher in a weekly pay period. It includes everyone below them in that leg until the next Gold or higher, who starts your next generation.

Volume carryover: If you are not Two Team qualified, volume in your lesser-volume team will not carry over, and volume in your larger team will flush 25% every week you are not Two Team qualified. Once you become a Qualified Brand Partner, volume no longer flushes and balanced volume is paid out. Volume in your larger team continues to carry over as long as you remain Two Team qualified.

Diamond rank qualification and cash bonuses

One-time cash bonuses, starting at Blue Diamond, are paid after you first attain and maintain the rank for the required consecutive weeks. Diamond rank qualification uses only new weekly volume; carryover volume does not count.

60% RULE FOR TOTAL PAYOUT

The Two Team Pay pays individual Brand Partners up to 20% of the CV in their lesser-volume team until the total payout across the company reaches 60% of collective company-wide CV. If the total is calculated to be over 60%, individual payouts are adjusted down so the company-wide payout equals 60%. If it is under 60%, the difference goes into a company reserve to cover weeks when payout is higher. This keeps the pay plan stable long term. The maximum Two Team Pay is $20,000 USD per week.

PV · PERSONAL VOLUME

The dollar amount the person paid for the product (the purchase price).

CV · COMMISSIONABLE VOLUME

The dollar value assigned to each product for calculating commissions.
